MUSIC TECHNOLOGY POSITIONS

TITLE: Assistant or Associate Professor.

DESCRIPTION: Tenure-Track Faculty Positions: nine-month academic appointment beginning Fall Semester 2005 (August 2005).

RESPONSIBILITIES: The Music Department is actively seeking faculty members who can substantively assist with development and implementation of an interdisciplinary and inclusive music technology curriculum. Teaching and research specialties can be drawn from but are not limited to: performance technology, machine listening, digital signal processing, voice technology, robotics, music education, music perception, acoustics, music theory, composition, and multimedia development.

QUALIFICATIONS: Ph.D., DMA, or equivalent. Individuals with a thesis defense date prior to August 15 will be considered. Candidates who have research experience and/or developed successful music technology-based curricula, projects, products, and/or performances are especially encouraged to apply.

SALARY: Salary is competitive and commensurate with experience and qualifications.

MUSIC DEPARTMENT: The Music Department resides in the College of Architecture and offers a broad range of performance, technology, theory, and literature courses as well as vocal and instrumental ensembles.

GEORGIA TECH: The Georgia Institute of Technology is one the nation’s top research universities, distinguished by its commitment to improving the human condition through advanced science and technology. Georgia Tech’s campus occupies 330 acres in the heart of the lively, progressive city of Atlanta, where more than 15,000 undergraduate and graduate students receive a focused, technologically based education.

APPLICATION: Letter of application, curriculum vitae, names, addresses, and telephone numbers of three references, and representative technology-based research projects or products. Applications will be accepted until the position is filled.
