Rules for Users of Columbia Music Practice Rooms:
Our practice room policy obligates all users to take care of the rooms and the pianos in them.

• Please do not eat or drink in the practice rooms.
• Do not leave behind any trash.
• Report any suspicious persons or unusual damage/messes.
• Exercise due caution if you are alone in the practice room area.
• If another student is waiting for your room and no other rooms are available, then please limit your practice time to one hour.
• In EC or Broadway, make sure the door is locked when you are leaving.

Causing damage to the rooms or the pianos, or leaving a mess, or monopolizing a room when there is high demand will lead to suspension of your key privileges for a semester or longer.

We need YOU to help us maintain the condition of music practice rooms for the CU community. Thank you for your courtesy and cooperation.
